## Measure Your Space

Before shopping, measure your rooms to ensure your furniture fits well. Consider doorways and stairways for delivery.

## Consider Your Lifestyle

Choose furniture that suits your lifestyle. If you have kids or pets, opt for durable materials and designs that are easy to clean.

A modern living room with dark blue furniture and a white text overlay. The furniture includes a large cabinet, a side table, and a sofa. The floor is made of dark wood. A window in the background shows green trees. The text overlay is a white rounded rectangle with a dark blue border. The number '03' is in a white rounded rectangle at the top left. The title 'Pick the Right Style' is in a dark blue serif font. The main text is in a black sans-serif font. A white arrow points from the text overlay to the sofa. The website name 'FURNITURECRAZE.NET' is in a white rounded rectangle at the bottom center.

A beige sofa is the central focus of the image. To its left is a decorative plant with large, pointed leaves. The background wall features a pattern of overlapping circles. A large white text box with rounded corners is overlaid on the sofa, containing the text '04 Test for Comfort' and a paragraph of advice. A white arrow points from the bottom right of the text box towards the sofa. At the bottom center, there is a white rounded rectangle containing the website address 'FURNITURECRAZE.NET'.

## Test for Comfort

Always sit on sofas and chairs to test comfort levels. If it's a dining chair, make sure it's the right height for your table.

## Mix Textures and Colors

Don't be afraid to mix textures and colors. Combining materials like leather, fabric, and wood can add depth and interest to your space.
